

Artist Statement Template

An artist's statement is a general introduction to an artist's work, a body of work, or a specific project. It should open with the work's basic ideas and then go into detail about how these ideas are presented in the work. As you write your Artist's Statement, think about what you want to tell people about your artwork and yourself as an artist. Use the following questions to guide your writing.

ARTIST NAME: _____

What was the inspiration for your artwork? (family, friend, personal experience)

What was your favorite part of creating this work of art?

Why was it your favorite?

Why are you proud of your artwork?

What do you hope your artwork will inspire people to think about?
