

Courage & Strength: Stop Motion Animation

COURAGE WORKSHEET

STUDENT NAME: _____

What does your courage look like? Think of a time when you found the courage to do something.

1) What was the location? Where were you?

2) What were you nervous or afraid to do?

3) Who or what gave you the support and encouragement to get past your fears?

4) What did you accomplish?

5) How did it make you feel? What did you learn from this experience?

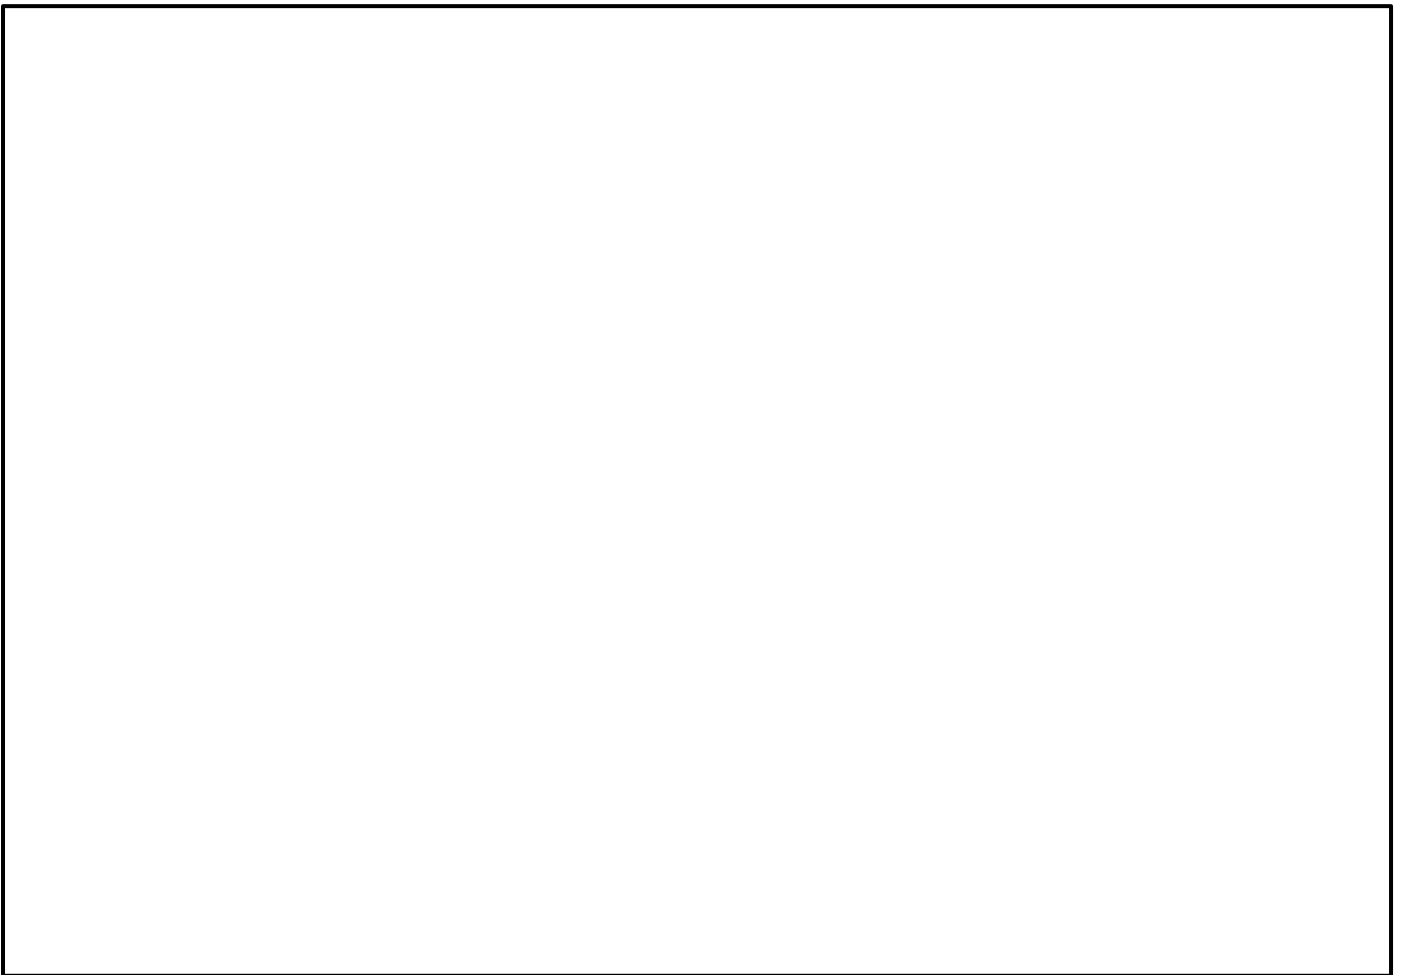

Courage & Strength: Stop Motion Animation

STORYBOARD

Sketch out your scene to help you visualize what your stop motion video will look like. Your main materials will be colored paper and markers. Let's see what you can do!

STUDENT NAME: _____

What was the location? Where were you?

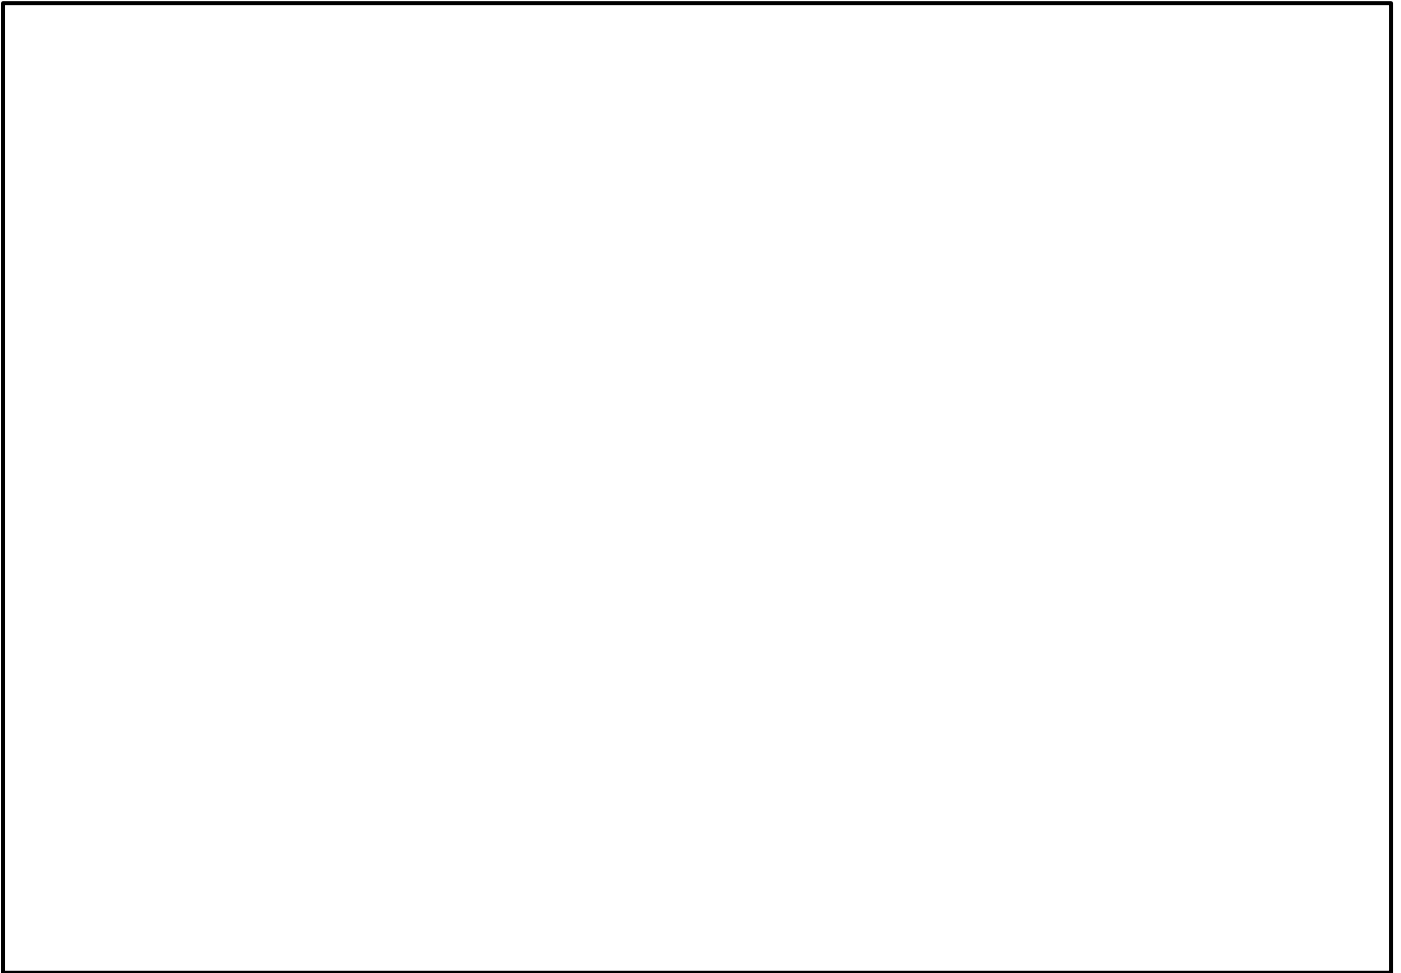

My location/background is:

I need to draw or cut out:

Courage & Strength: Stop Motion Animation

What were you nervous or afraid to do?

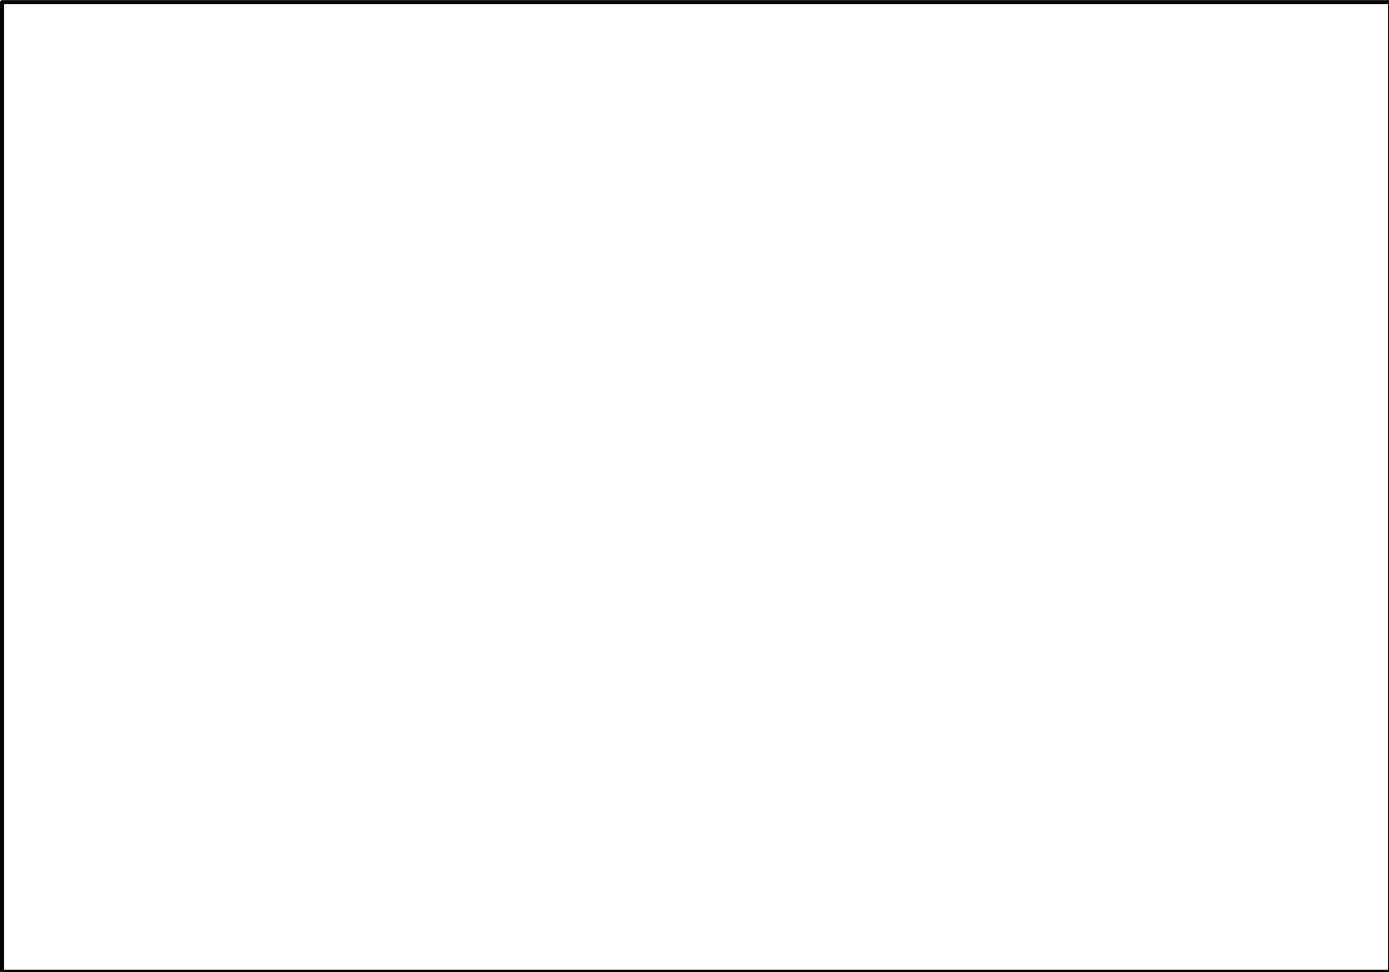

My location/background is:

I need to draw or cut out:

Courage & Strength: Stop Motion Animation

Who or what gave you the support or encouragement you needed to get past your fears?
